

# Interested in the “How to Handle Your Shots Like a Champ” lesson?

Here are a few short steps to get your classroom started:

1. Sign up at [kidsboostimmunity.com](https://kidsboostimmunity.com).
2. Create a team for your students to join.
3. Arrange a date with a public health nurse to teach the lesson (where applicable).
4. Reserve access to computers for your classroom for the day of lesson.

*\*Note: This lesson can be taught by public health nurses or teachers.*
