

## Interested in participating?

Here are a few short steps to get your classroom started:

1. Sign up at [kidsboostimmunity.com](https://kidsboostimmunity.com).
2. Create a team for your students to join.
3. Select "CHAMP" as your team's grade.
4. Arrange a date with the healthcare provider (eg. public health nurse) connected to your grade 6 class to teach the lesson in advance of the grade 6 clinic, and reserve access to computers for your classroom day of lesson.
5. After vaccination day, provide feedback via online survey.

*\*Note: Kids Boost Immunity is an online program, if you would like to participate and do not have access to computers, we will try our best to accommodate this.*
