KIDS BOOST IMMUNITY

FREE online educational resource

FREE EDUCATIONAL RESOURCE FOR TEACHERS

KBI is an online inquiry based resource made by educators to deliver curricular materials in a highly engaging way for students.

700 LESSONS

This resource has close to 700 teacher-developed lessons that span Grades 2 to 12. These lessons relate directly to curriculum topics in Language, Social Studies, Geography, History, and Health. Lessons are available in French and English.

GLOBAL CITIZENSHIP

Through using this resource, your students can learn about Global Citizenship by helping provide vaccines like polio, tetanus and measles to children in need in other countries. This is accessible for any classroom as students do not need to be on computers. Only the teacher needs to access online lessons and quizzes.

MULTI-USE PROGRAM

This resource can be used in a variety of ways. It can be used to enhance your lessons, for early finishers, to review topics, introduce topics or use in small groups. The possibilities are endless..

**Thank you for acting
locally to help immunize
globally.**

KIDS BOOST IMMUNITY

Free, Online educational resource

FREE SUPPORT RESOURCES AVAILABLE FOR TEACHERS

KBI has an extensive amount of support resources available for teachers which include curriculum connections for year-long planning, lesson plans, unit plans with literacy/numeracy and comprehension worksheets, plus inquiry activities and answer guides, etc.

PROMOTES HEALTHY COMPETITION

Students are able to engage in healthy competition within their own classes, the school or around the world. This program allows an opportunity for goal setting.

CURRICULUM CONTENT

This resource is developed or reviewed by provincial teaching specialists and health/science experts. Each module directly relates to CANADIAN curriculum content.
