

Sign-up for a teacher account on Kids Boost Immunity. It's easy!

1. Go to [www.kidsboostimmunity.com](http://www.kidsboostimmunity.com)
2. Click on **SIGN-UP** on the top right corner.
3. Click on **teacher/student teacher** under Create new account.

Confirm that you are a teacher

4. Fill in the necessary information:
  - First & last name
  - City, Province
  - Phone number
  - Password
  - Email
  - School organization/District
  - Select subject(s) you teach

5. **Click on the Create new account** button.  
This takes a few seconds.

6. KBI will approve a school email teacher account quickly (within 24 hours but usually within 1-2 hours).

Respond to a confirmation email that might be in your SPAM/JUNK folder and you then have a KBI teacher account for as long as you use this email. **No need to ever sign up again.**

The screenshot shows the sign-up interface. At the top right, there is a dark blue button labeled "SIGN UP". Below it, there are three tabs: "Create new account" (highlighted in green), "Log in", and "Reset Password (For Teachers Only)". Under the "Create new account" tab, there is a section "I am a..." with radio button options: "student", "teacher/student teacher" (selected), "homeschool teacher", "homeschool parent (temporarily homeschooling due to COVID-19)", "school administrator / government", and "health care provider". Below this is a "Please confirm \*" section with a checked checkbox and the text "I confirm that I am a teacher or another profession selected above, and over 19 years of age. \*".

## Create a class/team for students to join so they can access lessons/quizzes

1. Go to [www.kidsboostimmunity.com](http://www.kidsboostimmunity.com) and click on **LOGIN** on the top right corner.
2. Go to **My Teams** on the Menu.
3. Click on **Add team**
4. Follow the simple instructions on the site to make a team/class. A number of steps are optional.

NOTE -The most important step is creating a **'team registration code'**. This is a combination of YOUR last name and a unique phrase.

In the example below the teacher's last name is Miller.

The unique phrase they have created is 2022Test.

Thus, the class/team registration code is **miller-2022Test**.

This teacher will share **miller-2022Test** with all of the students who need to join this specific class/team.

This team's registration code is your last name + your unique phrase.  
Enter your unique phrase

**THIS TEAM'S REGISTRATION CODE IS BELOW:**

**miller-2022Test**

- Students will be required to enter this code when they sign-up, and this code determines which team/class they join.
- They will be required to enter this only once (during sign-up).
- Decide how you want to share this code with your students (preferably electronically so they can copy & paste).

NOTE - Teachers can make as many teams as they like. It is suggested that teachers make one team per class unless this does not meet individual student needs.
